

Cemetery Committee Minutes

June 21, 2019 at Mountain View Cemetery

All members present

Discussed repair of roof and painting building at Talcott. John to get quote on roof, Mary will contact Bill Decelles about painting the building. Mary will contact AA Memorials about repairing the wrought iron fence at Talcott and doing two days of repair as needed at Talcott and Center Cemeteries.

It was decided to lay pavers in front of the columbarium. John will get a quote. Pricing and rules for the columbarium were discussed. Mary has a set of rules from a cemetery in Waltham that she will amend to meet our needs. A cost of \$1,800 was proposed for a niche, which would include engraving. No decision was made.

Amy will pick up benches from the shed, put them together at home, and place one in each section of the cemetery.

Respectfully submitted,

Amy Szczpaniak
